National SC-ST Hub (NSSH) Scheme Guidelines for Inclusive Entrepreneurship

Issuing Authority: Ministry of Micro, Small and Medium Enterprises, Govt. of India

1. Mandate of National SC-ST Hub

The National SC-ST Hub (NSSH) was set up by the Ministry of MSME to support Scheduled Caste and Scheduled Tribe entrepreneurs in fulfilling the mandatory 4% public procurement target from SC/ST MSEs across all Central Ministries and CPSEs.

2. Special Financial Subsidies and Incentives

Key financial benefits include:

• Special Credit Linked Capital Subsidy Scheme (SCLCSS): 25% capital subsidy upfront for procurement of plant and machinery up to Rs. 1 Crore investment.

• Single Point Registration Scheme (SPRS): 100% subsidy on NSIC registration fees and inspection charges.

• Exhibition & Trade Fair Assistance: 100% stall rent subsidy (up to Rs. 3 Lakhs) for participating in domestic trade fairs and international exhibitions.

3. Capacity Building and Vendor Development

NSSH organizes Special Vendor Development Programmes (SVDP) connecting SC/ST MSMEs directly with procurement executives of Navratna and Maharatna CPSEs (ONGC, BHEL, Railways, NTPC).

4. Tool Room and Incubation Access

SC/ST entrepreneurs receive 100% fee waivers for skill training courses and subsidized access to Ministry of MSME Technology Centers and Tool Rooms across India.
