Udyam Assist Platform (UAP) Guidelines for Informal Micro Enterprises (IMEs)

Issuing Authority: Ministry of Micro, Small and Medium Enterprises, Govt. of India

1. Inclusion of Informal Micro Enterprises (IMEs)

The Ministry of MSME launched the Udyam Assist Platform (UAP) (udyamassist.gov.in) to bring unregistered informal micro enterprises (micro-traders, street vendors, small artisans, home-based units lacking GSTIN) into the formal financial system.

2. Priority Sector Lending (PSL) Benefits

Registration on UAP generates an Udyam Assist Certificate. Under Reserve Bank of India (RBI) circular FIDD.MSME.BC.No.12/06.02.031/2022-23, bank credit extended to IMEs possessing an Udyam Assist certificate is formally treated as Priority Sector Lending (PSL) under the Micro Enterprises category.

3. Zero Documentation and Free Enrolment

Enrolment is executed free of cost through designated Assist Agencies (Scheduled Commercial Banks, Non-Banking Financial Companies, Micro Finance Institutions, and Small Finance Banks) using simplified Aadhaar verification without requiring GST registration.

4. Seamless Graduation to Full Udyam Registration

As the informal enterprise expands its turnover and obtains a GSTIN or PAN, the system seamlessly transitions the business from Udyam Assist to full Udyam Registration without loss of credit history.
